

February 19-28, 2024

## EXPEDITION DETAILS

Seven-day trek plus arrival day, rest day and departure day, total of 10 days.

COST: \$3,200 USD per person

### INCLUDES

- Accommodation in Moshi for 3 nights
- Transport to the mountain gate from and to Moshi
- Park fees, camping fees and park rescue fees
- Park certified guides who are outdoor first aid qualified
- Porters and cooks, plus equipment and tents for them
- All camping equipment including sleeping tents with mattresses
- Trip administrator
- Meals on the mountain - fresh food, 3 meals per day
- Oxygen bottles and masks, mountain shelter and portable stretcher on every trip
- Correspondence and advice and pre-trip organisation

### EXCLUDES

- Airport transfers
- Tanzanian Visa (\$50 for most passports & \$100 for USA citizens, purchased on arrival)
- Vaccinations and anti malaria tablets
- Personal expenses, e.g. taxis into town, bottled water in Moshi, kit rental, meals in Moshi
- Tips (~\$150 per visiting climber paid in local Tanzanian Shillings for distribution at the exit gate)

### Notes on the price of this trip:

- Trip cost includes all the main costs except personal expenses.
- We use a very good hotel in town.
- Your money is protected by our financial bonding.
- We advise you to purchase your insurance as soon as possible to cover potential events that might cause you to cancel your trip. You need to ensure that you have a policy which covers trekking to 5,895m, helicopter rescue and cancellation, but it does not need to cover technical climbing.
